

Late season Wash-a-Roma needs volunteers

(Snoqualmie, WA) Teen and adult volunteers are needed to have fun and wash cars (or get your car washed) during the Snoqualmie Valley Hospital Foundation's grand Wash-a-rama! This late season car wash is on Saturday, September 12th at Les Schwab Tires in North Bend.

"Its our first ever Car Wash-a-Rama and we will manifest hot sunny weather perfect for a carwash and water balloon fight," according to event organizer and Board of Directors member Kat Halloran. She added, "we're especially excited by this fundraiser because all proceeds will support a healthier community and in particular our campaign against prescription drug abuse by teens."

To get involved or for more information, contact Dr. Kat at 206-601-2612 or DrKat@QuantumLightHealthcare.com.

For a really clean car, drop by the Wash-a-Roma on Saturday, September 12th at Les Schwab Tires located at the corner of East North Bend Way and SE Orchard Drive in North Bend.
