H.E.L.P. Center

Home Equipment Loan Program

In partnership with:

**Bridge Ministries,
Mount Si Senior Center,
Sno-Valley Senior Center
and Snoqualmie Valley
Hospital District**

Our mission: To loan home care medical equipment to Snoqualmie Valley residents in their time of need.

How does the H.E.L.P. Center work?

The H.E.L.P. Center relies on donations made by Valley residents of home care equipment they no longer need. Bridge Ministries Mobility, an equipment donation loan center located in Bellevue, will also supply equipment.

What kind of equipment is available?

Dependent on what is available through donations, the H.E.L.P. Center may have the following equipment:

Wheelchairs • Walkers • Shower Chairs
Bedside Commodes • Canes • And More!

Monetary donations for equipment provided are used to fund repair and sanitization of used equipment and for purchase of additional equipment.

Is the equipment sanitary and in good condition?

All of the equipment in the H.E.L.P. Center is prepped for re-use by Bridge Disability Ministries. Each piece is repaired and goes through a sanitation process.

Where is the H.E.L.P. Center?

The H.E.L.P. Center is located in the outbuilding next to the Snoqualmie Valley Hospital Rehabilitation Clinic.

38565 SE River Street Snoqualmie

Where can used equipment be dropped off?

Mount Si Senior Center and Sno-Valley Senior Center are serving as drop-sites for used equipment. Please do not bring used equipment to the H.E.L.P. Center.

**To drop off used equipment:
411 Main Ave S, North Bend
425-888-3434**

**4610 Stephens Ave., Carnation
425-333-4152**

Notice: Please do not leave equipment on the grounds of the senior centers outside their hours of operation.

Contact Susan Lord at susanl@snoqualmiehospital.org or call 425-831-2300 ext. 165 for more information.

H.E.L.P. CENTER HOURS

We are open 2:30 pm - 6:30 pm the first and third Fridays of each month.
